Colorful Lake Como in Watercolor

"LIVE" Online Workshop - November 5 & 6

3 hour sessions \$178

Day one: You will be painting a beautiful sunlit villa overlooking the glistening water of Lake Como. Theresa will step you through soft clouds in the sky & subtle reflections in the water. Learn to mix glowing natural greens of the shrubbery leading to the lake.

Day two: Travel back to Lake Como for the day and learn to paint a close-up scene. We will explore variations in values and colors to create depth in your paintings. She will take you step by step through how she created an eye pleasing composition to executing a finished painting in watercolor.

After sign-up you will receive a supply list. In mid-October, you will receive a Drawings and photographs & PDF of lesson plan and details for the class. This class is for advanced intermediate

Enjoy your experience in an enriching and positive atmosphere that welcomes all levels of artists. Learn to build confidence as you develop a deeper understanding of design and painting techniques. Learn to embrace your inner artist and learn to develop your own painting style. Theresa Goesling with her 25 years of teaching workshops will share how she makes her paintings sparkle! Her upbeat sessions guide you to "Illuminate your Watercolors". Learn to passionately let your brush mix and mingle the colors on the paper to liven up your paintings with vibrant color. www.TheresaGoesling.ART
